

Semiconductor Test Services

MANUFACTURED
PRODUCTS &
SERVICES

WITH A 30-YEAR HERITAGE,
MICROSS IS A TRUE 'ONE-STOP'
SHOP WHEN IT COMES TO
SEMICONDUCTOR TEST

SERVICES FOR:

- SPACE
- AEROSPACE
- MILITARY
- HIGH RELIABILITY INDUSTRIAL
- AUTOMOTIVE
- TELECOMS AND COMPUTING
- COMMERCIAL
- MEDICAL

Semiconductor Test Services

HERITAGE

Micross have been developing component test solutions since 1979 enabling us to offer a world-class service in all areas of semiconductor test and environmental screening.

TEST CAPABILITY

Micross' comprehensive test offering ranges from commercial go/no-go testing through to complex military, space and high reliability screening.

ENVIRONMENTAL CAPABILITY

With a wide range of environmental chambers for all manner of screening and mechanical assessment routines.

SPECIFICATIONS

Screening and Up screening capability to a range of standards including ESA, MIL, JANTX, JANS etc.

EQUIPMENT

Micross have a wide range of automatic test equipments, from custom bench test solutions up to our latest acquisition of a Credence Diamond D10.

RELIABILITY

Component qualification using industry standard environmental/electrical screening and life tests.

QUALITY

Micross components is an AS9100 approved manufacturing and test facility. Operating with industry standards used in Military, Space, Medical and Industrial markets.

DELIVERY

Several customer information/delivery systems in place including KANBAN. Direct input to customer information/tracking systems, secure online information access.

KEY SERVICES

- Specialists in IC packaging technology
- Specialists in IC chip design & wafer handling
- Nanotechnology solutions
- Electronic component testing
- Small system design
- Miniaturisation (System In Package)
- Innovative solutions
- Inhouse UK manufacturing
- Cleanroom assembly inhouse
- Prototyping services
- Development services

Micross Components Crewe

11-16 A-Tech Court Lancasterfields
Crewe Cheshire CW1 6FF
Tel: +44 (0)1270 252 566
Fax: +44 (0)1270 252 596

Micross Components Alton

2 Oriel Court Omega Park
Alton Hampshire GU34 2YT
Tel: +44 (0)1420 594 180
Fax: +44 (0)1420 891 51

OUR MANUFACTURED PRODUCTS & SERVICES DIVISION OFFERS A WEALTH OF EXPERTISE IN DESIGN, PROCESSING AND PRODUCTION OF SEMICONDUCTORS, CONNECTORS AND OTHER ELECTRO-MECHANICAL COMPONENTS WITH THE HIGHEST DEGREE OF QUALITY, HI-RELIABILITY AND PERFORMANCE.
