## From London

Take Junction 4 off the M3, follow signs for Farnham to the A31, then Alton and Winchester.

At the first sign for Alton turn right at the roundabout (2<sup>nd</sup> exit) on to the B3004 and then first left into Mill Lane.

At the end of Mill Lane turn left at the staggered crossroads onto the B3004 (Wilsom Road) and take the first left into Omega Park.

Follow the road round to the left and straight along to the end. Micross Components is in the last red-bricked building on the lefthand side.

### **From Winchester**

Take the A31 towards Farnham. Ignore the first sign for Alton and continue to a roundabout - take the first exit (left) on to the B3004. Take the first left into Mill Lane.

At the staggered crossroads, turn left (onto Wilsom Road) and then take the first left into Omega Park.

Follow the road round to the left and straight along to the end. Micross Components is in the last red-bricked building on the lefthand side.

### **From Basingstoke**

Take the A339 to Alton turning right at the first sign to the town centre. When the road passes beneath a railway arch turn left at the mini roundabout and pass under the second railway arch.

Drive into town following the road past Sainsbury's on the right and turn right at the next roundabout. Go under another railway arch and then turn right at the staggered crossroads (into Wilsom Road) and first left into Omega Park.

Follow the road round to the left and straight along to the end. Micross Components is in the last red-bricked building on the lefthand side.

### **From Portsmouth and the A27/ M27**

Take the A3(M) northwards signposted to London. Then continue on the A3. At the first roundabout take the 1st exit onto B3006, Farnham Road - signposted Selborne.

Continue on for approx. 7 miles until the road passes beneath the A31 flyover on the outskirts of Alton. At the next roundabout take the 3<sup>rd</sup> exit under the second railway arch.

Drive into town following the road past Sainsbury's on the right and turn right at the next roundabout. Go under the railway arch, right at the staggered crossroads (into Wilsom Road) and first left into Omega Park.

Follow the road round to the left and straight along to the end. Micross Components is in the last red-bricked building on the lefthand side.
